Let's make it a bit more friendly:

Subject: Sidewalk vending - restricted zone

Dear South Park BID Stakeholder,

We're writing to inform you that LA City's new sidewalk vending regulations went into effect at the start of the year. Because of its proximity to L.A. LIVE., your property falls within a "restricted zone" and street vending is prohibited. LAPD is the enforcing agency for any violations of the regulations and should be contacted if vendors are selling within the restricted area. If you require assistance with crowd control, please call our 24-hour service request line, (866) 560-9346.

Please let me know if you have any questions.

Draft here:

Subject: Street vending restricted zone

Hi,

LA City's new street vending regulations went into effect at the start of the year. Because of its proximity to L.A. LIVE., your property falls within the restricted zone, and street vending is not allowed. Please reference the attached map for exact boundaries. The LAPD is the enforcing agency and should be called if vendors are selling in the restricted area. If you need assistance with crowd control, call our safety team (866) 560-9346.

Please let me know if you have any questions.

Hi Ellen,

Happy New Year! We have not advised any of the businesses in the restricted zone.

Jim Madsen and his team will advise all of the L.A. LIVE businesses if you want to give the heads up to the others.

Thanks.

Hi Shelby,

Happy New Year! I'm wondering if your team has done any outreach to the businesses in the restricted zone for sidewalk vending around LA LIVE. If not, we wanted to give them a heads up.

Thanks!

Ellen
